CERTIFICATIONS

Software Development Program

Institution: Power Learn Project (Jan. 2023 - April .2023)

I enrolled at the Power Learn Project, a 16-week program of intense training in software development. Self-paced, peer-to-peer learning experience in which I was able to gain a comprehensive understanding in different programming languages i.e PHP, JavaScript, Python,Django, Dart|Flutter. It also created networking opportunities to collaborate and share out startup ideas.

Programming Essentials in C

Institution: Cisco Networking Academy (Jan. 2023 - April .2023)

I am able to accomplish coding tasks related to the basics of C programming and understand the programming techniques, customs and vocabulary used in the C Programming language.
